

KEY FACTS - LAUREUS WORLD SPORTS AWARDS

- The Laureus World Sports Awards is the premier global sports awards honouring the greatest sportsmen and women across all sports each year.
- The Laureus World Sports Awards is a platform to showcase and generate support for the Laureus Sport for Good Foundation's social programmes and the work of the Academy.
- The winners are selected by the ultimate sports jury - the 46 members of the Laureus World Sports Academy, the living legends of sport honouring the greatest athletes of today.
- Laureus TV programming is watched by hundreds of millions of viewers in over 120 countries.
- The Laureus World Sports Awards are attended by global figures from sport, entertainment, business and fashion.
- Laureus was founded by its Patrons **Richemont** and **Daimler** and is supported by its Global Partners **Mercedes-Benz** and **IWC Schaffhausen**.
- There is a two-part voting process to find the winners. Firstly, a Selection Panel of the world's leading sports editors, writers and broadcasters from over 100 countries votes to create a shortlist of six nominations in six categories. Then the members of the **Laureus World Sports Academy** vote by secret ballot to select the Award winners. The voting process is monitored by independent auditors **PricewaterhouseCoopers LLP**.
- There are six categories voted for by the Laureus Media Selection Panel: *Laureus World Sportsman of the Year*, *Laureus World Sportswoman of the Year*, *Laureus World Team of the Year*, *Laureus World Breakthrough of the Year*, *Laureus World Comeback of the Year* and *Laureus World Action Sportsperson of the Year*
- There is one category voted for by a Specialist Panel: *Laureus World Sportsperson of the Year with a Disability*, which is overseen by the Executive Committee of the International Paralympic Committee.
- The 2013 Laureus World Sports Awards will be held in Rio de Janeiro, on March 11.
- **Laureus** is the Latin word for laurel – the universal symbol for victory in sport.
- Each winner receives a **Laureus statuette** exclusively produced by Cartier. The universal nature of sport is celebrated by the representation of the five continents, which are engraved on the base. The statuettes are 30cms high and weigh 2.5kgs. Each figure contains 670g of solid silver with a 650g gold finish base.
